Dear Sir:

This paper is to notify the office of the following prior or concurrent proceedings in which the above mentioned reissue application was or is involved.

(i) Interference No. 103,662 was declared on May 9, 1997, and judgment was entered in favor of junior party Stevens pursuant to United States Court of Appeals for the Federal Circuit decision dated May 4, 2004 (70 USPQ 2d 1765).

(ii) Request for *Ex Parte* Reexamination of U.S. Patent No. 5,393,368, which has been assigned reexamination control no. 90/009,125 (a copy of the request is enclosed with the Information Disclosure Submission submitted herewith). No determination as to whether a substantial new question of patentability affecting any claim of the patent has been raised by the request has been made.
